New album now available. Please use the **scroll** button on the right hand side of music player to see more songs. To **download, register** then click songs tab and choose the downward arrow.

Based in London Jo' s songs are infused with rock, pop and a tiny touch of folk with a sparkle of a Scottish lilt. There are echoes of her eclectic mix of heroes: The Beatles, Carole King, The Cranberries, Blondie & Sheryl Crow Chrissie Hynde. Legendary Grammy award winning producer Steve Levine (Culture Club, Beach Boys) produced her first album which has been featured on the BBC and C4. She is co-writing with projects with RCA Sony and Decca. She is featured artist on album Negatif (Virgin/EMI) by French Star Benjamin Biolay and her single "Take Me Home" produced by Biolay, producer of Carla Bruni, was used for the a major charity campaign "The Forgotten Irish". You can download songs free from this site or buy from **Itunes** and **CD Baby**
